EXPERTISE
7 trillion personalised experiences annually

Quadient's iX-1 mailing system combines mail and parcel processing into one easy solution. With a full set of standard features and innovative apps, nothing delivers like the iX-1.

Take the guesswork out of postage

With weighing options up to 5kg, the iX-1 can automatically weigh and calculate postage values guaranteeing you pay the correct amount for every item you send, every time. Never guess the price or overpay for postage again.

Avoid time-consuming trips to the post office

Process mail and parcels from the convenience of your office. Access Royal Mail discounted franking prices with ease. New postage prices are automatically updated making sure you always pay the correct postage every time.

Personalise your mail

Increase open rates and help promote your business with ad slogans, custom text messages and company logos with just the click of a few buttons.

Streamline Tracked Mail processes with Simplymail Lite

Quadient's online software provides quick and easy access for processing letters and parcels for Royal Mail Special Delivery® and Signed For®. Automatically compare Royal Mail services to find the lowest cost or fastest delivery time to get your items to their final destination. The single screen interface is easy to use, saves you time and continues to provide users with Franking postage prices.

- Accounting option allows chargeback and budget control
- Free confirmation of delivery on all parcels
- Access anywhere, anytime history/operator shipments/transactions

Powerful performance in a compact design

Weigh options up to 5kg

Rate Wizard

Shortcut keys

Greater weighing capacity for mail and parcels

The iX-1 is equipped with scales up to 5kg that may be removed to accurately weigh larger items. Weigh a wide range of mail, including letters, flats, small parcels and more. From postcards to packages, this scale handles it all.

Rate Wizard simplifies postage rate selection

The Rate Wizard simplifies the process of selecting the correct postal rate and class for your items. With clear step-by-step instructions, the selection process has never been easier.

Eliminate keystrokes with shortcut keys

Shortcut keys are easy to program and save time enabling you to create one-touch access to your most frequently used rates and services. Choose the most commonly used postal rates as well as customise and save the settings for your most frequent jobs.

Easy set up

The iX-1 mailing system comes with a quick assembly guide and “how-to-use” video tutorials to get you up and running in no time. Connect to any network through a high-speed LAN connection. Enjoy fast, automated statistic uploads, postage rate updates, and postage refills.

Do more with a complimentary Myquadiant account

This online portal helps you manage your postage account. Track postage usage, buy supplies, view and pay Quadiant invoices right from your browser. Myquadiant provides quick answers and the convenience of a one stop shop for all your postage needs.

The perfect addition to your small business

With its innovative design and amazing standard features, the iX-1 is the simple yet powerful choice to handle the mail processing and shipping needs of your small business or home office. Contact a Quadiant mailing expert to learn more about the iX-1.
