

Top **4** Franking Manifesto reasons to demand

“MORE MAIL FOR YOUR MONEY”

1.

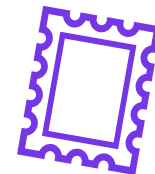

You Deserve to save money - up to 28%.

With a smart new franking machine from Quadient you could slash your current business postage costs and save up to 28%*, potentially saving you hundreds of pounds every year. It's the same Royal Mail postage service - it simply costs less when you start franking with Quadient.

*28% saving is based on 2021 postage cost of a standard second-class letter using a stamp versus MailMark franking.

SAVE TIME
AND EFFORT!

2.

Queuing at the post office? Don't stand for it!

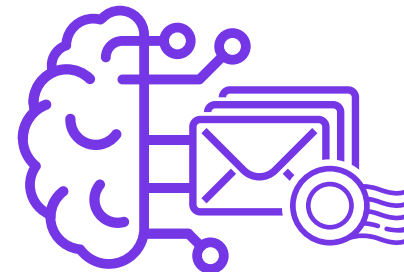

With a Quadient franking machine, you save the time and effort of queuing for stamps at the post office. Simply pay for postage online as and when you need it. Spending less time dealing with post means you can focus more time on the success of your business.

3.

Your mail should be as smart as you are.

You can't look like a big business success with wonky stamps on your mail. Franked mail simply looks more professional. And with a Quadient franking machine you can promote your business by printing envelopes with your logo or marketing messages.

4.

Only pay for the postage you use!

Quadient's franking machines will calculate the exact postage you need, so there's no need to guess and spend too much and you don't need to over pay because you haven't got the right value stamp - just print the exact postage you need.
